

For the past three years, students from Baie-Comeau High School have volunteered to participate in the poppy campaign with comrades from the Royal Canadian Legion, Branch 003. This year four students continued the tradition and offered three hours on a Saturday to help distribute poppies. This is such a great initiative and we are proud of each and every one who selflessly gave of their time to give back!

May these ESSB students inspire others!

Annual Poppy Campaign

Four students from Baie-Comeau High School volunteered their time on Saturday, November 3rd to help distribute poppies at Walmart with Comrades Ralph McAllistair, Yvon Boudreau and Stephen Kohner, coordinated by Comrade Jean St-Laurent of the Royal Canadian Legion, Branch 003. Thank you to Catherine Martin, Mia-Liza Bourque, Kelly Anne Martel, and Félix Débigaré for helping out with this year's Poppy campaign. Each student volunteered three hours and pinned dozens of poppies onto the lapels of people.
