

Since 1966, Owen Mailloux has been serving the Restigouche area for Adult and Vocational education. With 53 years (and counting) dedicated to education, Mr. Mailloux continues to provide a quality service to those wanting to pursue education as an adult.

Mr. Mailloux has developed a partnership with the Listuguj Mi'gmaq Development Centre (LMDC) and together they have inspired people to pursue their dreams and their collaboration has resulted in impressive opportunities and graduation rates!

Last year the Listuguj/Escuminac Adult Education Center graduated 13 LPN (Health, Assistance and Nursing) students, 7 Secretarial students and 2 Secondary School Diploma students. This year the Centre is offering

Secretarial/Accounting with 11 students, LPN with 19 students and Horticulture with 11 students (they are accepting applicants for an additional week).

Dedication, partnerships and commitment to students is what drives the Listuguj/Escuminac Centre and we are proud of the collective efforts.

Keep striving and congratulations to all the graduates from the 2017 -18 school year !
