

## Congratulations to Camille Cloutier of BCHS !!!

Camille was representing BCHS and her swim team, and brought home two medals and a banner at a recent swimming competition.

It was a real thrill for Camille to have won the gold medal in the 4X50-metre medley relay, the gold medal in 4X50-metre freestyle relay, the RSEQ Female Cadet Banner, finished 5th in the 50-metre backstroke, a 6th place in the 50-metre butterfly and a 9th place in the 50-metre freestyle !!

Since she was representing her school, the BCHS Home and School Association extra-curricular fund made a financial contribution to help defray some of the costs related to representing our school at this competition.
